GOVERNOR AND CABINET APPOINT IAN BERRY AS CLEMENCY COORDINATOR

TALLAHASSEE, FLA – Governor Ron DeSantis and the Florida Cabinet unanimously appointed Ian Berry to serve as Coordinator for Florida’s Office of Executive Clemency during the March 5, 2025 Cabinet meeting.

Berry has worked with the Florida Commission on Offender Review for ten years in various roles and, most recently, served as Director of Central Office Operations. He is also a member of the Florida Council on Crime and Delinquency.

FCOR Chairman David Wyant formally introduced Berry at the State Board of Executive Clemency Meeting held March 6, 2025.

“Ian has been with our agency right at ten years,” said Wyant during the introduction. “He is going to fill this role well and will be a great liaison from our staff to yours.”

The Florida Commission on Offender Review (FCOR), is a constitutionally authorized, quasi-judicial, decision-making body which has been serving the citizens of this state since 1941. The Commission holds offenders accountable for their behaviors and ensures public safety through its careful selection of offenders for re-entry into society by administering parole, conditional medical release, control release, conditional release, and addiction recovery release supervision. The Commission also acts as the investigative arm of the Governor and Cabinet, sitting as the Board of Executive Clemency in clemency matters. The Commission’s mission is to ensure public safety and provide victim assistance through the post prison release process.
